Letter from the President

So far this year we have been busy completing some of our company's most prestigious projects, including St. Jude Children's Research Tower, Cook Convention Center and Four Seasons Hotel—all of which will be award-winning projects! We have also been busy on Hurricane Sally damage repair on some of our former projects, such as Turquoise Resort, Beach Club Resort, Caribe Resort and Bella Luna Resort—just to name a few. I want to thank each of you who have worked so hard to make all this happen. This has all been accomplished despite COVID-19. Although we had a number of our employees get COVID-19, and a few got really sick, they all have recovered and are back to work. As of today we don't have any new cases. Thank goodness! Hats off to each of you!

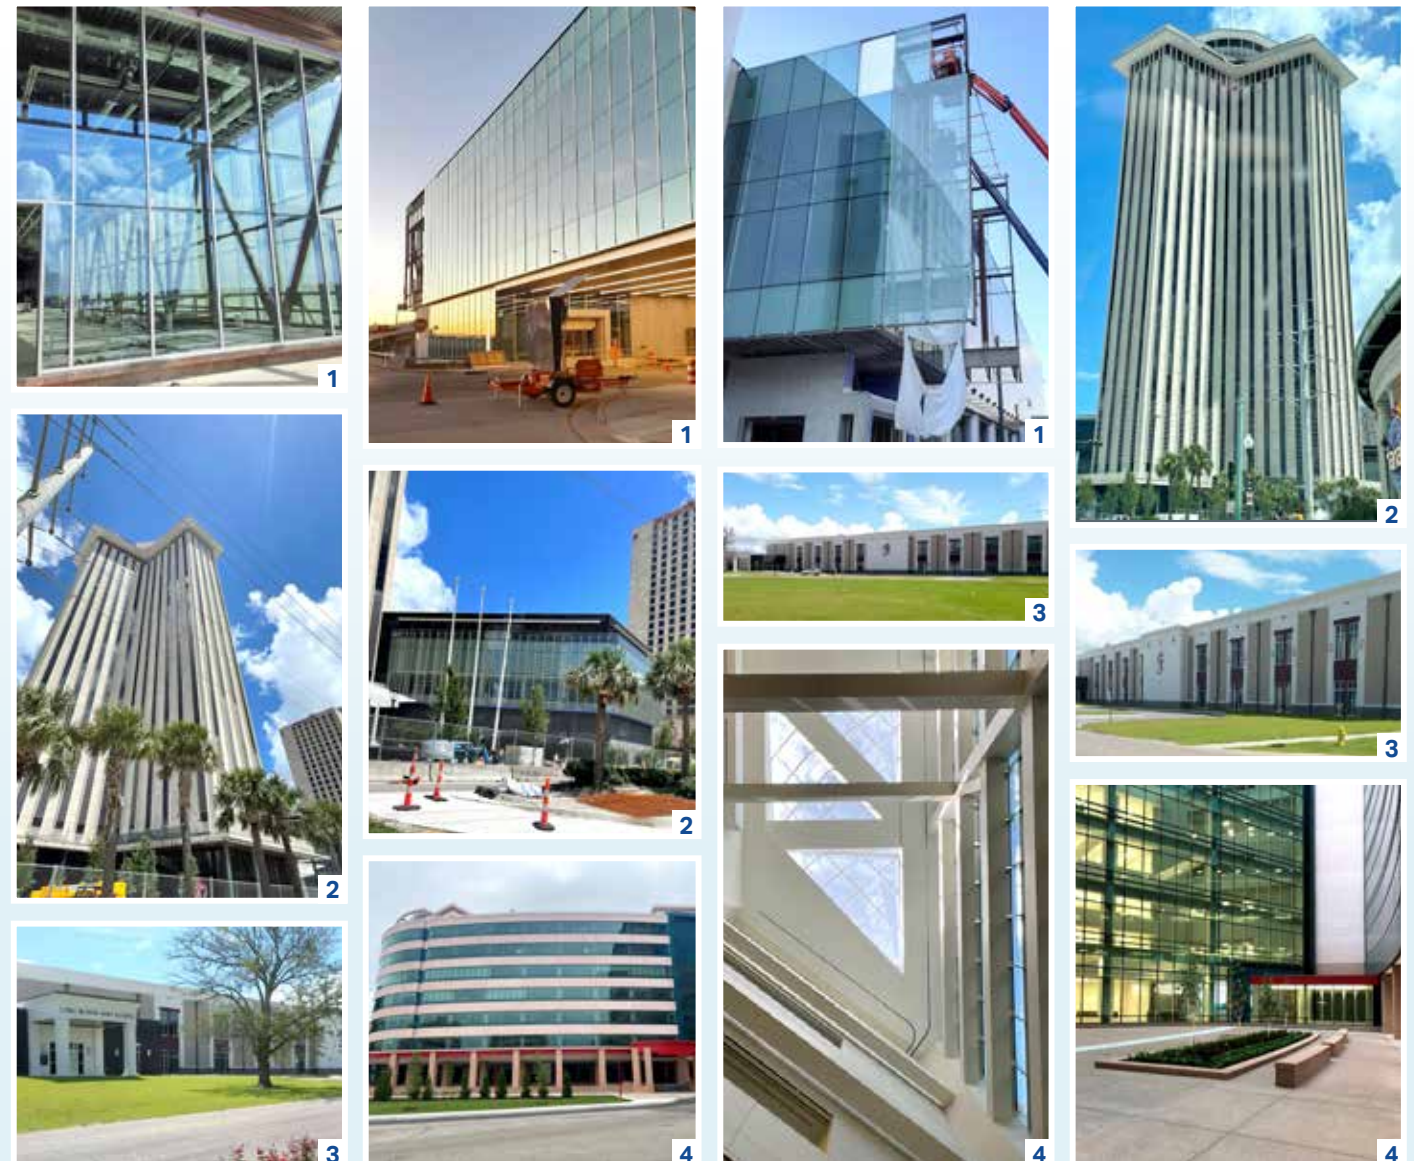

As I mentioned in the previous newsletter COVID-19, has really slowed down new construction starts. We have managed to pick up some smaller work, but the bigger work has been hard to find. However, we are involved in numerous hurricane repair projects from Panama City to Lake Charles that are waiting on insurance settlements that could get us busier than ever almost overnight. So enjoy the slower than normal pace for now, but be ready for the OT that's coming!

As always, please continue to work safely and look after your coworkers!

P.S. Hail State!!!!!!!!!!!!

**Paul
 Barfield**

On April 13, Paul Barfield lost his battle with cancer and died peacefully at his home in Georgia. I was fortunate enough to speak to him on the Sunday afternoon before, when he seemed, as always, in remarkably good spirits.

We talked about all the jobs he had worked on and people he had worked with. Some he liked and some he didn't! He even laughed at some of the funny things that had happened to us over the years and told me how much he loved his Glass Inc. family.

When I visited his wife, Vickie, after he passed, she told me how much it had meant to him to see the outpouring of love and support from so many of his coworkers. He was our senior field superintendent and a damn good one!

Thanks to all of you who reached out to him. He will truly be missed by all who knew him! May the Peace of Christ be with you, Paul.

– Robert and the entire Glass Inc. family
